Message from the Founder

Dear Friends,

I am delighted to share with you the annual report of GPF's activities for FY 2023-24.

I would like to express my heartfelt gratitude for this work to the board of trustees,

management, well-wishers, supporters, and frontline volunteers for your unwavering support and dedication to our NGO's mission in promoting menstrual health awareness, child education, climate change awareness, and mental health.

Through your generosity, we have empowered women and girls in menstrual health, provided access to quality education for children, contributed to a greener future through climate change awareness, and supported mental well-being. Together, we are transforming lives and creating a brighter, more sustainable world for all.

Thank you for taking the time to read our report.
Yours Sincerely,

Sandeep Sharma
